Re: Classroom and Office Furniture for Library/Academic
Development Center

We received four bids for the specified furniture. The bids were in various configurations. An analysis by Marlene Lambert, our furniture consultant, determined that some individual item low bids were not compatible with other low bid items. Consideration had to be given to the manufacturer and the integrated look of an area. Additionally, some errors were found in individual low bid items.

Based upon a review of the bids by Marlene Lambert, I recommend that we accept the bid of Intermountain Design of Boise, Idaho in the amount of \$99,474.75 for all bid items except for item A-12 - 217 stacking chairs. For bid item A-12, I recommend we accept the low bid of Office Environment of Boise, Idaho in the amount of \$11,761.40.

The attached pages contain the actual bid prices per piece of furniture from Intermountain Design and a bid summary sheet from all vendors.

The purchase will be paid for from the Department of Public Works remaining construction funds and the Plant Facility Fund.
