Dear Parent/Guardian,

Your child, *Mj Csj_2* has applied to participate in the dual enrollment program at *College of Southern Idaho*.

If your student's courses are to be paid by Fast Forward, they must accurately report their county of residence in the Fast Forward portal. If they take a course that will not be covered by Fast Forward, they must file a Certificate of Residency with the county by the appropriate deadline in order to receive any county reimbursement.

A dual credit course is the equivalent of a college course and will therefore have college expectations and standards. The grades your student receives in dual credit courses will appear on their college transcript.

Your student has selected at least one course located on the CSI campus or an online course open to the general CSI student population. Fast Forward pays only half the cost of these courses; your student will be responsible for the remaining tuition. Additionally, these classes will include college age students and may cover material in a manner that assumes an adult student population.

CSI subscribes to the policy of providing equal educational opportunities, services, and benefits to students without regard to race, color, ethnicity, national origin, gender, and/or disability.

Note: You have received this email because your child is under 18 years of age and provided this email as their parent/guardian's email address.

FAMILIARIZE YOURSELF WITH THE CSI CATALOG

It is essential to familiarize yourself with the official CSI Catalog to learn more about important college policies and procedures. You can find the [CSI catalog online](#) by clicking here. The following are highlights the Early College Department encourages you to read through. When Using online catalog, type title in search field.

STUDENT CODE OF CONDUCT

The College of Southern Idaho promotes behavioral standards that create a positive environment in which students can learn, work, and live. The Student Code of Conduct is intended to help create and preserve this positive environment in support of the institution's mission, educational philosophy, purposes, and functions; to foster students' educational and civic development; and to protect the people, properties, systems, and processes that support the College.

PRIVACY OF STUDENT RECORDS

The Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law protecting the **privacy of student education records**. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. **These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level (e.g. college or university).** Students to whom the rights have transferred are **"eligible students."** Questions concerning FERPA should be referred to the CSI Office of the Registrar (208-732-6795); www.csi.edu/FERPA.

RIGHT OF APPEAL

Students have the right to appeal outcomes imposed by implementation of College policies. All appeals must be in writing and must be submitted to the respective CSI official(s). Appropriate documentation of extenuating circumstances will be required and the timeliness of the appeal will also be considered.

COURSE DESCRIPTION EXAMPLE

ENGL 101 WRITING AND RHETORIC 1

English 101 emphasizes the process and strategies of writing academic essays with critical attention to purpose and audience; focus and development to support a thesis; and organization and coherency. Students write analytical essays based on readings, observations, and ideas: develop various strategies to respond to different rhetorical situations; and edit for style, voice, and conventions of standard usage. This course introduces MLA format.

ACADEMIC INTEGRITY

Academic integrity is central to the educational mission of the college. CSI expects students, faculty, staff, and administrators to be honest in all aspects of their work for the college. CSI instructors evaluate all student work with the assumption that the work presented is the individual's own. Anything less than full transparency about the origin and provenance of the work presented is unacceptable. Persons who stray from this expectation are subject to disciplinary action, which may include, but is not limited to verbal warnings, written plans for improvement, zero scores on affected work, course failure, and/or dismissal from the course, program, or college. The [Academic Integrity section](#) of the CSI Student Handbook offers additional information.

ATTENDANCE

The college recognizes that regular attendance is the student's responsibility. Instructors evaluate the lack of attendance in terms of the course requirements and take reasonable course of action, including but not limited to, dropping students for no show. A class missed due to required participation in a verified school activity will not be considered an absence. Students who miss class or are absent for any reason, are still responsible for completing all course requirements. When the number of class hours absent exceeds the number of course credits, the instructor has the authority to send a notice to the student as a warning and/or refer the student to his/her advisor.

DEADLINES & APPEAL

DEADLINES

All of CSI's Dual Credit deadlines are clearly listed on the [Dual Credit Web Page](#) and found on [page 3](#). The deadlines are also in the first email message you receive from the CSI Dual Credit Department.

ENROLLMENT APPEAL

Students requesting to add, drop, or withdraw after the deadline must submit an Enrollment Appeal to the Office of the Registrar. This includes students who were legitimately dropped for no show by faculty. The Enrollment Appeal form can be found at <https://www.csi.edu/files/pdf/registrar/enrollment-appeal.pdf>.

To be considered the appeal must demonstrate, with supporting evidence, an extenuating circumstance which prevented the student from meeting the deadline. Enrollment Appeals for dropping or withdrawing after the deadline, may have financial implications if approved.

Student appeals without an extenuating circumstance, lacking supporting evidence, or where the faculty member believes the student would not be successful will be denied.

Extenuating circumstances are circumstances which meet ALL of the following conditions and must be addressed in explanation of the appeal:

1. Affects your ability to meet established deadlines/standards
2. Are life-altering
3. Are outside of your control
4. Can be corroborated by independent evidence (MUST BE ATTACHED TO THE APPEAL)
5. Occurred during or shortly before the deadline in question
6. Was unplanned.

DROPPING & WITHDRAWING

Dropped course(s) do not appear on the student's transcript, tuition charges are subtracted from the student's account and are refundable. Students may drop courses until 5:00 pm on the Wednesday deadline listed on the Early College web page.

Withdraw means the student attempted the course but did not complete any credit; the grade of W will appear on the student's transcript and there is no refund. No course may be withdrawn from after 75% of the course has elapsed. Students will be issued a grade after the deadline.

NOTE

W grades can have a number of negative consequences, including negatively impacting students' eligibility for Federal Financial Aid. Ws on transcripts can also raise questions by transfer institutions and even prospective employers. Students should carefully consider the consequences of Ws before withdrawing from courses. For more information contact the CSI Financial Aid Office at 208-732-6873.

HOW TO DROP OR WITHDRAW FROM A COURSE

Drop - To drop a Dual Credit course login to your [Dual Enroll](#) account and click on the Drop hyperlink.

Withdraw - To withdraw from one or more courses, a completed Add/Drop/Withdraw form must be submitted to the CSI Early College in person or via email dualcredit@csi.edu. To withdraw from **all** credited courses you must obtain a Federal Financial Aid Advisor's signature on a Complete Withdraw form. This form must be submitted to CSI Early College in person or via email dualcredit@csi.edu.
