

Practical Nursing (LPN)

CSI is accredited by the Northwest Association for Colleges. The nursing program is approved by the Idaho Board of Nursing and the Idaho State Board of Professional-Technical Education. Upon satisfactory completion of the Practical Nursing program, the graduate is eligible to write the NCLEX-PN. Upon passing this exam, the graduate will be licensed to practice nursing as a Licensed Practical Nurse in Idaho and will be eligible to make application for licensure in other states.

Practical Nursing Program Goals:

1. Promote the human dignity, integrity, self-determination, and personal growth of patients, oneself, and members of the health care team. [Human Flourishing]
2. Provide a rationale for judgments used in the provision of safe, quality care and for decisions that promote the health of patients within a family context. [Nursing Judgment]
3. Assess how one's personal strengths and values affect one's identity as a nurse and one's contributions as a member of the health care team. [Professional Identity]
4. Question the basis for nursing actions, considering research, evidence, tradition, and patient preferences. [Spirit of Inquiry]
